

INVOICING ADDRESS CHANGE NOTIFICATION

Lekatech Oy

Contact person: Antti Anttila

Dear Supplier,

Lekatech Oy's invoicing address changes 1.12.2021. Our new invoicing address details can be found from the table below.

Be aware that **only invoices** can be sent to the mail box. It is NOT a delivery address and cannot be used for sending us packages, goods or ads.

Invoices sent by email must be so that the invoice and all its attachment pages are attached as **one single PDF file to the email.**

However we strongly wish that You would start sending us real structural **electronic invoices.** Our eInvoice address and Intermediator address can be found from the table below.
